ASSIGNMENT

WHEREAS, Kenneth Browne Kixmoeller, Jr., residing at 35 Birchwood Lane, Birchwood Village, Minnesota 55110-1609 (hereinafter the "Assignor") has invented certain new and useful systems, devices, and methods disclosed and described in an application for Letters Patent in the United States ("U.S.") entitled "Holding Device for a Cooking Container Lid," which can be identified in the United States Patent and Trademark Office ("USPTO") under application no. 10/804,317, filed on 18 March 2004; and

WHEREAS, Jaguar Marketing Services, Inc., a corporation organized and existing under the laws of the State of Minnesota, and having its principal place of business at 35 Birchwood Lane, Birchwood Village, Minnesota 55110-1609 (the "Assignee"), desires to acquire the entire right, title, and interest of Assignor in and to the invention, the Patent Application and in, to, and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor has sold, assigned, and transferred and does hereby sell, assign, and transfer to the Assignee, its successors, legal representatives, and assigns, the entire right, title and interest in and to the invention, the Patent Application, and all divisional, continuation, continuation-in-part, continuing prosecution, reexamination, and reissue applications that claim priority thereto; all international, regional, and foreign applications that claim priority or otherwise correspond thereto; the Letters Patent, both foreign and domestic, that may or shall issue, or may or shall have issued, therefrom; any extensions or renewals thereof; and any right, title, or interest in and to the invention under any international conventions (collectively "the Patent Rights"); and the Assignor hereby authorizes and requests transfer of the Patent Application and any further applications, which may be or shall have been filed under the Patent Rights, to the Assignee in accordance herewith.

Assignor further authorizes said Assignee, its successors, and assigns, or anyone it may properly designate, to apply for Letters Patent in the U.S. and any and all foreign countries and regions, in its own name if desired, and additionally to claim priority to the filing date of the Patent Application and otherwise take advantage of the provisions of any international conventions.

Assignor hereby authorizes Assignee, its successors and assigns, or anyone it may properly designate, to insert in this instrument the application number and filing date of the Patent Application once known.

Assignor further covenants and agrees that this Assignment is effective as of 18 March 2004.

Assignor represents and warrants that Assignor has the right, title, and authority to execute this Assignment and to convey all right, title, and interest in the Patent Rights, and that Assignor has not conveyed nor will convey hereafter all or part of the Patent Rights to a third party; and Assignor hereby covenants and agrees with the Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these representations, and that Assignor, Assignor's successors, legal representatives, or administrators will at any time upon request, without further or additional consideration, but at the expense of the Assignee, its successors, and assigns, execute such
